

Integral HorseMapping Train the Trainer

Horses Help Us Learn Intrinsic Essentials in a Process Focused on Solutions

ABOUT GERHARD J. KREBS AND KARIN C. KREBS

Gerhard holds a university degree M.A. in contemporary German Literature and Political Science. He has worked as an entrepreneur since 1983, started IT Trainings in 1986 and founded G&K HorseDream GmbH in 1996 together with his wife Karin. They both started with Horse Assisted Leadership Seminars and team trainings in 1998 using Frisian horses as medium and catalyst.

Karin has been working as an entrepreneur since 1985, as an Horse Assisted Educator since 1998. In the HorseDream concept she is especially responsible for reduction.

ABOUT BARBARA K. RECTOR AND KELLY R. MORKEN

Barbara has more than three decades sharing horses with people for their mutual benefit. She travels the world training the trainers in her Adventures In Awareness (AIA) process. Locally Barbara has held key leadership roles at Therapeutic Riding of Tucson (TROT) and Sierra Tucson Hospital where she developed the Equine Facilitated Psychotherapy (EFP) program. On a national level, she is co-founder of the Equine Facilitated Mental Health Association and she currently serves as Secretary on The Commission for Certification of Equine Facilitated Interaction Professionals.

Kelly has a Bachelors in Social Work and a Masters in Public Administration from Northern Arizona University and works as Member Service Manager for the Medicaid, Elderly and physically disabled population served under Evercare Select of United Health Care. Kelly is adjunct faculty member of Phoenix College teaching "Fundamentals in Health Care Delivery Systems". Kelly's love is sharing the "gift" of the horse and all that they offer.

In Vienna, Austria, October '07, Barbara and Kelly completed Licensed Horse-Dream Partner training.

October 10 - 12, 2008

Apache Springs Ranch

Sonoita, Arizona

This three day residential Train the Trainers seminar is for those clinicians, educators, and coaches interested in learning a "take the work to the next level" approach. Integral HorseMapping spans all domains of awareness as it offers engagement with the horses in expanded insight activities.

Participants will leave this seminar prepared to include and offer Integral Horse Mapping in their work with clients and students.

Limited number of participants to both learn and practice.

- Theory and principles
- Specifics of organization
- Process for application and delivery
- Adaptations for group, individuals or both

LODGINGS & MEALS

Onsite accommodations at Apache Ranch
Conference Center Rooms: 6 private rooms with 3 shared baths. One double room available as a double or single.. \$180 plus tax total for Friday and Saturday nights.

<http://www.adventuresinawareness.net/registration>

Choose "Train the Trainer" and follow the steps to register and pay \$750 deposit or full amount online with PayPal/Credit Card.

"... I felt first hand the role of both participant and trainer—and since our discussion covered both aspects, I gained valuable insights that will enable me to be empathetic to my own clients, as well as guide them through the experience in a manner that will lead to their own self-discoveries as individuals and groups."
